

RAMAN SPACE MANTHAN

2025-26

Hearty congratulations to all the brilliant young minds who have successfully cleared the zonal level of the Raman Space Manthan Exam!

Achieving success in an exam conducted by the R&Y Science Research Foundation, Pune, in prestigious collaboration with IIA, IISc Bangalore, IISER Pune, and ISRO Research Education, is a monumental feat. You have proven your mettle in a competition that bridges the gap between classroom learning and the vast frontiers of space science.

At its heart, research education teaches a systematic way of thinking. It's not a straight line, but a cycle of refinement.
